RE: 2019-ICAP-00081, 2019-ICFO-11560

Dear Mr. Edelman,

This is in response to your e-mail dated and received by U.S. Immigration and Customs Enforcement (ICE) on October 26, 2018, disagreeing with the ICE FOIA Office's overly broad designation. Your original FOIA request, dated September 24, 2018, sought records to or from former ICE Field Office Director, David Jennings, that contain any of the following terms: "bed space," "transfer," "overcrowding," "detain," "detention," "retaliate," "retaliation," "constitution," "constitutional," "unconstitutional," "discretion," "fabricate," "fabrication," "lie," "lies," "rights," "freedom," or "first amendment."

Upon a complete review of the administrative record, which included your initial request, ICE has determined that your request should be remanded to the ICE FOIA Office for processing and re-tasking to the appropriate agency/office(s) to obtain any responsive documents. The ICE FOIA Office will respond directly to you.

Should you have any questions regarding this appeal remand, please contact ICE at ice-foia@dhs.gov. In the subject line of the email please include the word "appeal," your appeal number, which is **2019-ICAP-00081**, and the FOIA case number, which is **2019-ICFO-11560**.

Sincerely,

A handwritten signature in cursive script, appearing to read "Erin Clifford".
